

# COOKIES POLICY

Our website <https://secondworld.io/> (hereinafter, the "**Website**") uses a technology called cookies in order to collect information about the use of the Website.

We inform you that we may use cookies to facilitate your navigation through the Website, to distinguish you from other users and to analyse your browsing habits on the Website.

The purpose of this cookie policy is to inform you clearly and precisely about the cookies used on our Website (the "**Cookies Policy**").

## **What are cookies?**

Cookies are files that are downloaded to your computer (computer or mobile device) in order to store data that can be updated and retrieved by the entity responsible for its installation.

The information collected through cookies may include the IP address, date and time of visits to the Website, the pages viewed within the Website, the time spent on our Website, and other pages visited just before and after the same, and other browsing data. Cookies allow us to obtain information about your browsing habits.

You can manage and control the use of cookies through your browser, including deleting them from your browser history when you leave our website.

## **Why do we use cookies?**

Cookies perform different tasks on the Website, in order to allow efficient browsing, performance analysis and to improve your experience.

## **What types of cookies do we use?**

Some of the cookies we use on the website are essential to its functioning. Others are not essential but help to improve our website by collecting anonymous information from the user and try to improve their experience on our website by remembering their preferences.

SECONDWORLD OÜ (hereinafter, the "**Company**") uses own cookies, which are those that are sent to the user's terminal equipment from a computer or domain managed by the publisher itself and from which the service requested by the user is provided, in order to manage and improve the services offered, which are of the following types:

- a) **Technical Cookies:** those that allow the user to browse through a web page, platform or application and use the different options or services that exist therein, such as, for example, controlling the transit and communication of data, identifying the session, accessing restricted access areas or using security elements during browsing.

b) Analytical cookies: these allow the party responsible for them to monitor and analyse the behaviour of the users of the websites to which they are linked. The information collected through these types of cookies is used to measure the activity of the website, application or platform and to create user browsing profiles for these websites, applications and platforms, with the aim of introducing improvements based on the analysis of the user data provided by the users of the service.

## Elimination of cookies

In any case, we inform you that you can delete, block or disable cookies at any time by modifying the settings of your browser, which will allow you to reject the installation of all cookies or some of them. If you delete all cookies from this Website, through your browser, you will also delete the configuration options you have chosen for our cookies (acceptance, rejection, or revocation of their use).

Below you will find information on how to manage the use of cookies depending on the browser you use:
